AUTOMOTIVE LINE CARD

We represent leading manufacturers of vehicle service equipment including fluid storage and dispensing, exhaust extraction, tool cabinets and benches, as well as interior and exterior LED lighting.

BORROUGHS
Automotive parts storage, tire racks, workstations, and service benches.

EUROVENT
Exhaust extraction systems and overhead fan systems for auto repair facilities and dealership service departments.

FEDPRO
Full line of lubricants, cleaners, and polishes.

GRACO
Industry-leading oil management systems from bulk fluid pumping to precise dispensing.

HUGHES TANK COMPANY
Cutting-edge UL 142 and Fireguard aboveground fuel and oil storage tanks with quick lead times, offered in both standard and customizable sizes.

LSI - AUTOMOTIVE
Complete interior and exterior lighting and control solutions for the automotive market.

RED E CHARGE
A complete Level 3 EV Charging software & equipment system to manage a network of chargers with a variety of charger types to fit the application.

RHINO TUFF TANKS
Stackable poly tanks for synthetic oils, hydraulic and transmission fluids, windshield wash, and antifreeze.

SMARTFILL
America's most advanced fuel management system for fuel accountability and fuel theft prevention.

UNIVERSAL VALVE
Bollards, bollard covers, and u-shape bumper guards.

XERXES
Underground fiberglass double-wall storage tanks for onsite fueling.

XERXES - HYDROCHAIN™
Engineered site-specific, comprehensive chamber system for stormwater management.
